Stratton and various other referrals could enhance your life high quality. Exactly how can it be?

Review

"M. Stratton wrote a brilliant, emotional romance with 120 days... It's a story of finding yourself, falling in love, and learning how to say good-bye." -Author Michelle Dare

"This book is love. It's romance. And it's also life, the good, the bad and the heart wrenchingly beautiful." - Author Josie Bordeaux

"120 days... is the book that reminds you to get busy living because each day is a gift and each day we're dying. M. Stratton takes you on a emotional roller coaster and doesn't hold back." -Author M.C. Cerny

From the Author

The idea for this book came directly from my parents, they both have cancer. Their story, their strength and attitude fighting cancer is what gave me the idea for Last Resort and 120 days... It's not a pretty or easy journey, but at some point we will all know someone who is battling it. My hope, my wish is by reading this book, maybe it will help you, because we are all in this together and can find strength together.

About the Author

M. Stratton is an International Amazon bestselling author in the romantic suspense and mystery suspense categories for her Storm Series and Bender. She lives with her husband and son in Arizona, which is a big difference from where she grew up north of Chicago Illinois. As an only child she learned to tell herself stories to make the long winters go by quicker while dreaming of summer vacations. Now as an adult she still makes up stories to pass the time, but now she writes them down to share with other people.

Stratton is a self-proclaimed dork who loves to make people laugh. Her inner rock star is always on stage performing to a sold out crowd, but she quiet and shy on the outside. She spends her days plotting new ways to surprise her readers.

Stratton This is not only exactly how fast you check out a book as well as not just has how many you finished the books; it has to do with exactly what you have actually obtained from the books.

120 DAYS... BY M. STRATTON PDF

There is more to cancer than death.

120 days... The average number of days someone stays at Last Resort.

17 weeks... Surrounded by love, laughter and support.

4 months... More time than they had before they walked through the door.

Real estate developer Ethan McGregor's life was changed forever when his younger brother told him he was dying of cancer. Ethan was ready to do whatever it took to save Evan, but Evan had other plans.

Say goodbye...

Samantha Truman runs the privately-funded Last Resort. Watching her parent's drive and determination to live longer than the doctors gave them was the inspiration for the resort. It is her heart and soul--she lives to make sure that each day is precious, and one more sunrise or sunset can make all the difference the guests at Last Resort need.

After finding his brother's journal, and discovering more about Last Resort, Ethan is determined to find out if this place is one of those "too good to be true" places that turn out to be a scam. But he was not ready for Samantha Truman, he was not ready for everything to change, for his point of view in life to be so incredibly altered, for the world to turn its axis. There are, after all, some things Ethan can't control, who to fall in love with is one of them.

How much can change in 120 days?

Absolutely Amazing.

By Chrissy

What an absolutely amazing read this one!

As someone who has worked in the health field for many years and watched so many families struggle with loosing a loved I can honestly say that this has to be one of the most beautifully, honest, touching stories I have ever read!

From start to finish M Stratton has created a magnificent world full of love, loss and heartache. I loved the premise behind this book which was what had initially attracted me to it but I have to say this book blew my mind in every way imaginable and I loved every second of it. There is no was to really describe 120 Days as each person will take from it something different. The only thing that I can say is that it is absolutely impossible to not be 100% affected by this read.

Throughout 120 Days, you will smile, laugh and definitely cry however you will sit back after reading it and feel amazing. You will be able to put your kindle down and feel a peace and calm unlike any other all due to this amazing world created by M. Stratton.

There is honestly nothing I can say to give this book the justice it deserves. I'm currently having a hard time even reviewing it as all I see is positive from this read and I don't want it to appear as if I'm just blowing smoke up everyone's you know what's.

I guess at the end of the day all I can say is this....this book is strength. Pure and utter strength with a side of emotion unlike anything you have ever read. If you have ever lost someone or have stood beside someone as they have grieved than you will love this book. Not only will you relate to it but it will give you a kind of understanding that is hard to achieve on your own. It's is simply put just raw and utter beauty.

Gorgeous Story of Life and Love

By Elena Cruz

There are truly not enough words to describe how blown away I was by M. Stratton's stunning and breathtaking 120 Days... A book that had me messaging the author because this heartbreaking yet hopeful story was stellar. The story follows Ethan McGregor, a successful business man set on being the best at his job and closing the big deals. One day his younger brother Evan unexpectedly stops by and reveals that he has terminal cancer. Ethan is shocked and tells Evan that he'll get him the best treatment but Evan tells him it's too late. The reason he is there is to say goodbye.

This moment is a catalyst for change in Ethan's life. The heartbreak over his brother and Evan's journal leads Ethan to go to the place his brother spent the last days of his life, Last Resort. While this place sounds like a haven for those terminally ill, Ethan wonders if it's a scam. While he goes to investigate he meets the resort owner, Samantha "Sam" Truman, a woman who will not only challenge Ethan but also lets him see the reason why Last Resort is such a special place.

I don't think I ever read a book that had me reaching for the Kleenex box three percent into the story like 120 Days... by M. Stratton did. In fact I reached for it a few times. I'm sure you're thinking well, of course it's sad because it's a book about people dying. The thing is it's so much more. It's about living life to the fullest as much as possible. Embracing it, appreciate every sunrise and sunset you have the privilege of seeing. It's about not taking life for granted because you never know what's going to happen. So much happens in this story that it you will go through every emotion as you read it. 120 Days is a beautiful story about love, being the best person possible, laughing, and living. M. Stratton poured so much love into this book. You read it in every single page of the story through Ethan, Sam, and all the people at Last Resort. If there is a book you should read, 120 Days... is it.

4 Wings of Love #LoveHarder

By Ms.Meesh

120 days...by M. Stratton truly gutted me emotionally and brought back lots of memories for me. Two and half years ago, I first hand experienced the impact of what it means to lose someone close to me to cancer. Cancer is not something we think about it since we all think it will never happen to us or the people we love but sometimes when we least expect it, it happens. Reality hits that possibly life might be cut short. And when I was spending the last few weeks with my mom, every regret, memories, and I love you's comes rushing back at you like a raging storm. And in 120 days, M. Stratton has written one of the most raw, touching, beautiful, and emotional book that I have read. In this emotional tale, she has managed to bring light on this delicate and sensitive subject of cancer, death, life, and acceptance.

20 Days though may be a cancer book but it is so much more. It is about truly understanding terminally ill patients and their last moments of living. Though they may experience pain and death is knocking on their door, it is about the hope, light, happiness, and acceptance of it all. 120 Days truly gutted me and left me bawling throughout the story. My heart and floods of memories came rushing back and so I understood the emotional heartache of Ethan as he relives and experiences what his brother's last moments through the eyes of the people at the Last Resort and Samantha. This book is tragic but really beautiful. 120 Days engulfs you with so many emotions that it reminds readers of the beauty of second chances, finding love, experiencing life, and acceptance. This is my first book from this author and it won't be me last. M. Stratton was able to showcase a strong voice of her characters in a well-written story.
