A great edition to any hobbyist's library

By Bill

A great edition to any hobbyist's library. If you like the Panzer Wrecks series you will enjoy this book. Includes photos of many destroyed Soviet IS-2 and ISU-152s. Most of the vehicles have been moved to collection areas and are in a state of disrepair.

Read small print before buying this good book

By Cliff Leverette

Not what I was hoping for, but the photos I saw were terrific. I would rate it higher on content but did not see the fine print.
