Too bad Zeus knows more about combat than dating, and he hasn't yet managed to ask her out.

Carly is just trying to make the best of things. Bad luck in love and in life has landed her in Bearstone Village, stuck with debts from a former relationship and making her way as a waitress. She enjoys the rare moments when she sees Zeus Wilson, a sexy recluse who comes down from the mountain sometimes to drink at the bar and fix Carly with a heated gaze in his sparkling blue eyes. Even if it seems like he's never going to make a move.

But when a local motorcycle gang threatens Carly, Zeus is forced to intervene and take her back to his cabin where he can keep her safe. With the beautiful mountains around them, it's not long before sparks are flying between the bear and his sexy mate. But Zeus is afraid to tell Carly the truth about what he is, and the men who want to take her are quickly catching up.

But he isn't called Zeus for nothing, and if anyone threatens his mate, this big bad bear is fully capable of striking them down.

Yea! A new series from Terry Bolryder and it is a winner!

By cheri

As expected this is another winner. Terry Bolryder manages to entice us with hot, hunky guys and courageous curvy women--neither can resist or be resisted.

Carly and Zeus each are drawn to the other but not sure how to approach so they just smile --until Carly is threatened. Zeus isn't about to let anything happen to this special lady. They ride off into the sunset on his Harley. However--Zeus isn't the biker bad boy -- but threaten someone he cares about and he is bad. He takes her to his home in the woods to protect her.

Will that be enough? They are dealing with a dangerous gang. Of course Zeus has a few surprises and back up they may not be prepared to meet.

This is a love story, so how are Carly and Zeus supposed to find each other with all this going on? Leave it to the author, she's a master of getting the reader to fall for her characters, getting them into seemingly impossible situations and...yeah somehow managing the HEA. I loved every minute of this read and know you will too. She also hooked me into anxiously waiting for and I quote Ares--"Damn, now I just gotta find me one of these." "What?" Carly asked. "A cute little mate to cuddle," and of course Hades, who we have yet to meet.

I was provided an ARC for an honest review.

Terry does it Again

By J. Saxey

I love Terry's books. I watch for the newest releases and grab them as soon as they are available. Her books have drama, suspense, sex, alpha males and sassy woman. I love the depth of feeling she puts into her stories. Her books make me cry, sigh and laugh out loud.

What's next? I will be waiting and if you have never read her books... You should!

Beary Great Book :D

By Joelle

I love reading books by Terry. Her characters are always amazing! The settings are beautifully described, I almost feel like if I close my eyes I can see the very image depicted! Would work as a great stand alone book too, but once you read one you will want to read them all!
