Overall, will recommend

By Tanisha

Excellent reference text for the subject of Corporate Governance. It covers a wide range of topics but the 3rd edition has more relevant case studies and updated corporate governance codes information.

0 of 0 people found the following review helpful.

excellent as a current reference on principles and practices of ...

By william coffin

excellent as a current reference on principles and practices of CG. good for board members, senior executives of public companies and students studying the subject.
