Whether in coastal waters or on high seas, any medical crisis aboard a boat requires swift and efficient attention in order to ensure the safety of the casualty, and the crew in general, and avoid further harm.

This hands-on, fully illustrated guide is the perfect quick medical reference for any sailing trip. With clear color photos and a simple descriptive text. Hauert shows the medical novice exactly how to tackle an extensive range of injuries, illnesses, and potentially dangerous situations when urgent action is necessary.

Be ready to:

Administer life-saving first aid when an emergency arises - be it severe bleeding, choking, shock, burns, or frostbite.

Recognize the symptoms of a wide range of common and more unusual illnesses from conjunctivitis and food poisoning to heart attack and appendicitis.

Treat and medicate a variety of sailing-based injuries such as concussion, broken ribs, fractured fingers, and twisted ankles.

Complete with immunization advice, a list of useful contacts while at sea, and suggestions for a comprehensive first aid kit, this is the essential medical handbook for any sailing trip--whether along the coast or offshore.

Excellent On Board Resource

By noel robyn

This is one of the best on board reference books to help deal with medical challenges while sailing. I have it next to my medical kit.

Great quick guide

By diletante david

Great quick guide. Enough information to be going on with in the event of an on board emergency. Diagnostics a bit skimpy. It will be on board for any distance racing
