Seller is excellent-- author is an idiot.

By S. Tarver-mckinney

Required text for a course in college. Otherwise, I would NEVER buy a book by these authors. It had lots of opinion and not enough fact. What a world- as an older adult, I go back to school only to be forced to sit and listen to the propaganda of the elite trying to rouse up the poor- against "big business." Disgusting really.

The seller gave me an excellent price and a quick shipping.

Good book!

By Arie Gibson

I got this book on the LOW from Amazon for about 20 bucks used. It was in Like New condition I believe. It was very beneficial in my class. The instructor informed us that there was not much difference in the 2nd and 3rd editions I believe . It is also beneficial as a reference text. There are a lot of vocabulary and it is very easy to understand. GOOD BOOK GOOD PRICE
