# **FACING THE LION: MEMOIRS OF A YOUNG GIRL IN NAZI EUROPE BY SIMONE ARNOLD LIEBSTER PDF**

Facing The Lion is an inspiring autobiographical account of a young, non-Jewish girl standing up for her beliefs in the face of overwhelming pressure to conform to the Nazi propaganda machines. Simone refuses to accept the Nazi party and her simple acts of defiance lead her to be persecuted by her school and local officials, and ignored by friends. She is put in a harsh reform school until the end of the war.

The book is an excellent addition to a middle school classroom library

By Assoc For Natural Psych

Liebster autobiographical memoir provides a heart-stirring account of the oppression of a pre-teen girl in Nazi German, who had her first period apart from her mother who was in a concentration camp. Both Simone, her mother and father survived, victims of Nazi persecution of the minority religion of Jehovah's Witnesses, who steadfastly opposed the Nazis, unlike the mainstream Protestant and Catholic Churches, who, by and large, supported Hitler and his regime. It is of interest because Liebster did not go to a concentration camp but to a reform school, to experience a different type of oppression. The book is an excellent addition to a middle school classroom library, providing a first-person account on an intimate human level of religious persecution, and a glimpse into history that rounds out one's education on the Holocaust and what it meant in terms of human emotion and relationships.

A Must Read!

By Gina Marie Fenton

This is one of the most beautiful books I have ever had the honor to read. It is very human, very real and Simone Liebster does a simply remarkable job of telling her story of when she was a little girl facing tremendous pressure by the Nazi regimen. No little girl should ever have to face these types horrors, but her faith in her God, Jehovah, helped her to heal eventually and she tells her story in a way that captures the imagination and makes one understand the power of faith in a living God. A must read. No regrets.

Reading This Book is a Life Changing Experience

By Priscilla

This extraordinary book is a life-changing experience! Whether or not you are one of Jehovah's Witnesses, you can't help but be inspired by the integrity and strength of this pre-teenage girl! At the very least, it will cause you to appreciate the freedoms you enjoy, and how quickly and easily those freedoms can be taken away, and think deeply about the very high cost of compromise--or the high value of sticking to your convictions.
