Excellent

By Jessica

This book is very informative, especially for anyone looking to get started with cattle. Nice pictures, great detail. A must.

Five Stars

By Luke

Very well written and informative. I gave this as a gift for a young person getting started with cattle.

0 of 0 people found the following review helpful.

A great book for anyone starting in the cattle business

By Don Scruggs

A great book for anyone starting in the cattle business. Not so much a reference for the older more seasoned farmer, but, a great book for FFA students and those that never raised cattle. It will have a permanent place on my library shelf.
