Direct teaching without CLUTTER!

By Let Go, Let God

Can't go wrong with Hagin. His books are short but straight shooters. I really loved this book. In Jesus' Great Commission in Mark, He makes it clear to Lay Hands on the sick in HIS NAME and they SHALL be healed. I believe we are to do it in the world and not always at a church. "Go Out" He said. Great book.

a solid, concise appraisal of the practice

By Midwest Man

I appreciated the discussion and descriptions of the Protestant practice of laying on of hands. Hagin begins with checking the scriptures for it, trolling both old and new Testaments. He gives "How to know it's real". He finishes up with words of caution and made-up beliefs and practices.

I enjoyed the brevity and practical application of Biblical principals throughout it all.

Great Book!!!

By Kevin Callaway

Wonderful book to read!!! Kenneth Hagin gives some great spiritual insight on the importance of laying on of hands by believers. Great book very helpful for ministry of the sick and praying that believers receive the Holy Spirit. Kenneth Hagin gives scriptural references along with visions he had of Jesus Christ. This book is great for all believers.
