LOVE, LUST & A MILLIONAIRE (WYATT BROTHERS, BOOK 1) BY SANDI LYNN PDF

My name is Delilah Graham and music is my life. I moved from Chicago to live in the one place that I considered to be the center of the universe: New York City. At twenty-three years old, after raising my two brothers and sister, it was time for me to start my own life. I worked as a waitress in a greasy diner by day and, by night, I performed my music in small clubs around the city and on the streets of New York. That was until a man and his daughter stepped into the diner and changed my life forever. He hired me to be his daughter's nanny, but I have a feeling he wants more from me.

My name is Oliver Wyatt and I made my first million at the age of twenty. Life's been somewhat complicated since my five-year-old daughter, Sophie, was sent to live with me after her mother died. She drove away the nannies I hired to take care of her until one afternoon, while eating lunch, a beautiful waitress and my daughter shared a special connection. She was exactly what Sophie needed. My brother, Liam, said she was just what I needed. I am nothing but a man with a heart of stone, compliments of a girl I loved so many years ago. Lust is a powerful emotion; an emotion so strong that trying to deny it only makes it that much stronger. Now that I have met Delilah, rules will be broken and lines will be crossed.

I LOVED this book!!

By Stacy Hahn

Love, Lust & A Millionaire is the perfect name for this book. You will love sweet Delilah and Sophie and you will most definitely lust over the hardened millionaire Oliver and his brother Liam. I could not put this book down.

Delilah has always been a caretaker, so when the sexy millionaire, Oliver Wyatt, hired her to be his daughter Sophie's nanny, it is a perfect match for her.

Oliver is a workaholic with a hardened heart. He is too busy for his daughter and doesn't believe in love. He has been with a woman he doesn't even like for eight months because he just doesn't care.

When Delilah comes into the picture, she begins to shake things up and chip away at his hardened heart. Her love and understanding of Sophie helps Oliver to bond with his daughter.

I did not want this book to end. I found myself laughing, smiling, screaming, and swooning. In the end, you will just feel good! This is a five star read for me!

All the secondary characters in this book are wonderful as well. I can't wait to see if we have a story for Liam, Oliver's brother.

Loved it!

By Shona

I am always excited when Sandi Lynn posts that she is releasing a new book. I read the synopsis for Love, Lust & A Millionaire, which made me even more eager to read it. I started and I didn't want to stop. There was so many things I loved about it.

Delilah works in a diner, always smiling and happy to help. One day she meets Oliver and Sophie. She likes what she sees but when Sophie is upset Delilah helps calm the situation and Sophie takes an instant like to her. The instant bond between them is beautiful, she is a breath of fresh air.

Oliver works most of the time and when he isn't, he is out. He tries to take care of Sophie the best he knows how. When he sees the bond Delilah and Sophie have he knows he has to hire her. Just for Sophie though right? Things begin to change and he starts to see everything differently. He spends more time with his daughter, the world seems brighter.

I loved all the characters in this book. Liam, Oliver's brother was funny and charming. I would love to see him get his happy ever after.

Love, Lust & A Millionaire is another top read from this author, one not to be missed.
