LOVING HER BEST FRIEND'S BILLIONAIRE BROTHER (SEDUCED BY THE BILLIONAIRE BOOK 5) BY NADIA LEE PDF

Dynamic and powerful, billionaire Daniel Aylster III wants to get rid of The Lloyds Development for mismanaging the construction of his latest hotel...until he meets its new CEO, Meredith Lloyd. It's been ten years since he's seen her, but his baby sister's best friend has grown into an irresistible beauty.

A single mom determined to prove herself, Meredith refuses to let Daniel fire her company without giving her a chance to fix the problem first. Nothing is going to stop her from succeeding, not even her crazy attraction to Daniel.

Forced to work in close proximity, Daniel and Meredith realize they may have a saboteur in their midst. When their shadowy enemy makes a game-ending move, Meredith must reveal a devastating truth that could tear her family apart and cost her the only man she's ever loved...

We got to see Ethan & Gavin Lloyd stories unfold (Reunited in Love and Redemption in Love)

By Tamarah Brown

I received this book as an ARC from the author in exchange for an honest review. We got to see Ethan & Gavin Lloyd stories unfold (Reunited in Love and Redemption in Love). Now it's time for their sister Meredith's story in Merry in Love. Although, she made appearances in her brothers' books I was interested to see how Meredith's story would unfold with Daniel Aylster III. At first, I had my theory particularly

concerning Meredith's son Eric. However, after reading the story I found it out to be completely off base. In this story you see Meredith fighting against her identity that was set by others. She wants to be taken seriously as a businesswoman & CEO of Lloyd Development no longer as Ethan, Gavin, and Jacob's little pushover sister. Like its predecessors Merry in Love shows what happens when the world of business meets romance. One of my favorite parts is the appearance of a few of our favorite characters from previous books in this series. The readers are given a brief update on what has since the ending of the other character's books. The author successfully did it in a way that it doesn't distract from the main story. As for Daniel the readers you get to see his journey as a character. Without giving too much away there is much more depth to Daniel which made me like him more. Even if you haven't read Books 1-4 in the series you can still enjoy this story. Overall, I enjoyed this book.

Continued kudos for Nadia Lee

By Karen Arens

I received this book and read the first day it was released on Amazon. Nadia Lee has outdone herself again. She's a fantastic writer that never fails to keep my interest. I've enjoyed this whole series and can't wait until her next release on the Pryce family.

Sweet love story.....

By PoppinsLove

I got this book as an ARC in exchange for an honest review. This is a sweet love story. Meredith Lloyd is the youngest and only daughter in the Lloyd family. She tries to make her way in the world and prove that she is as capable as her older brothers (except Jacob) in running a business without losing her identity. Then there is Daniel. He has a cynical view of the world. But who can blame him? His family does not win a medal in warmth department. Women throw themselves at him because he is rich, etc. Through series of incidence, Meredith and Daniel were reacquainted and forced to work together. The story circles around knowing each other, working out differences, and falling in love with the backdrop of corporate life. I like how Daniel's character evolves in the story, slowly and steadily. I like how Meredith stays true to herself. The course of this story is different from the previous books (It's great that I get updates on previous characters ? Really love this one). I was a bit put off in the beginning, but the story became more interesting toward the end. It just shows how Nadia is a good writer. She can write good romance stories with different plots. That's really creative ?
