OATHBREAKER (BOOK 3 IN THE GODHUNTER SERIES) BY AMY SUMIDA PDF

From Lion Shifters to Viking Gods, Oathbreaker has it all!

"This series just keeps getting better and better!"

-K. Dunst

"This book is so imaginative!"

-Tracey Welch

Vervain Lavine needs a little time to figure things out. Things like how to control the multiple beasts and magics inside her. Or how to lead a Pride of werelions who act more like a bunch of frat boys than grown men. She needs to work out her relationship with Trevor, the werewolf Prince bonded to her, and if his grandfather, Loki, is serious in his repentance or is just up to more of his tricks.

Demeter's still on the run after her attempt on Trevor's life and it'd be great if Vervain could figure out where she's hiding before the goddess tries to kill her too. She'd also like to know why a bunch of vampires keep following her around. What's all that about?

Then there's Odin, leader of a faction of gods opposing Vervain in the God War. He needs her help and he's willing to pay for it but can she trust her enemy, a god referred to as the Oathbreaker? He's helped her in the past and she owes him but the way she feels around him is a complication that she just doesn't need... and one more thing for her to figure out.

Yeah, the Godhunter could really use some time to think things through but it doesn't look like she's going to get it.

Love this series

By Christie Jones

I got the first book for free and have been addicted ever since. This is my first time reading this author, but I definitely will continue. Great read!!!

Godhunter series

By Amazon Customer

Found the 1st book as a free book on my Kindle app & absolutely had to read the entire series!

Another great one

Great story line, also good as a stand alone. This author does a great job of bringing you up to speed if you haven't read the pervious books. That can be irritating also if you are reading all the books in the series and have to read about things you already know. This book is more introspect than the first two where as the heroine is growing in her maturity as the author spins the crazy tale that is this characters life. Still love the writing, still love the series. Happy reading. Next....
