OLLIE ALWAYS BY JOHN WILTSHIRE PDF

Sometimes there is a very fine dividing line between fact and fiction.

Named after the main character in his mother's infamous Oliver novels, Ollie's been fighting his fictional namesake his whole life. It's a battle for identity he is slowly and inevitably losing. Ex-army PTI, Tom knows all about battles--the real ones that break soldiers. When he volunteers to help with the Oliver situation, Ollie hears more in the offer than Tom apparently intends, for Tom quickly informs Ollie that he's married. Which is absolutely fine, because Ollie isn't gay--that's Oliver. Tom and Ollie discover fairly swiftly that there is often a very fine dividing line between fact and fiction.

An Enduring Fan of Wiltshire

By Nikki

This is different from the Nik and Ben series I'm devoted to by the same author, but oh so good! If you like books about grownups, books that are well-written, books that offer nuanced m/m romance, books that keep you reading well into the night, this is a book you can't pass up.

Lovely Contemporary Romance About the Pitfalls of Being the Muse of a Successful Author, and Finding True Love

By April

Lovely contemporary romance about a writer-wannabe who probably would be wiser if he'd stay as far away from books as possible. Ollie is already the product of a life haunted by his famous-author mother's fictional character with the same name. In a vain attempt to distinguish himself, he is Ollie, Always, a name his mother and her friends totally ignore.

Ollie is almost the quintessential poor little rich boy. He feels useless existing on his mother's money. He's got horrible memories of his posh boarding school where he was mercilessly bullied. He is tired of being viewed as the sexually precocious gay hero of his mother's books to the point of denying his own sexuality. In short, he is messed up. But maybe not as messed up as he thinks, when he meets the handsome runner

who starts going by his little house in a sparsely populated part of New Zealand.

The meeting is funny. Ollie has a very wry and self-deprecating humor, and there were some hilarious passages. There was also some angst, a little twist or two, and I shed a few tears, but this is a romance and both our heroes pull themselves out of the bad times and work towards their happiness, and it is joyous!

This book was a splendid surprise. Lots of fun. Great bits on writing and funny concepts. Interesting characters. All totally memorable. I loved it.

10 Stars

By lovethybook

Such wonderful, humorous, heart wrenching, swooning storytelling. I adored Ollie Always. I adored Ollie. What an amazing developed at times hysterically funny character. I saw him so clearly. There were heroes and villains a little bit of mystery but the underlying romance between Ollie and Tom had my heart beating, swooning, rooting for them. I love love love Wiltshire's writing. Always very intelligent, very masculine, crazy romantic in a very intelligent masculine way. 10 stars !
