Deirdre Macintosh, London's hottest up-and-coming architect/designer, is redesigning an ancient Moorish sex palace hidden in the Tangier Kasbah. She's got designs on Jake Deloitte, a sizzling American merchant banker, too - - while guarding her secret: she's the pet of powerful Abdul, her African bodyguard and sensual Master.

One gifted, beautiful, adventurous young woman, playing the harem slave for two men, as unlike as any two in Europe, men who'll overcome any obstacle to possess her and bend her to their desires.

Can Deirdre have it both ways? Can both men find a way to have her without destroying each other? Can the others who desire this bold artisan of fantasy surrender her so easily?

About the Prequel

"Secrets of the Kasbah" is a serialized short novel that follows Deirdre's adventures as a rising star among Europe's celebrity designers. The prequel will be followed by three parts.
