Awesome information for anyone interested in Judaism

By Christian reader

I loved it! As someone who is interested in Judaism, the traditions, and the prayer shawl, I found this book to be awesome. I learned so much. We just returned from a trip to Israel, and I had so many questions about the little prayer box the religious Jewish people wear on their head, and their prayer shawl, and the one who have tassles under their shirts. All the commandments they observe, wow, that is a lot of work!

If you are interested in all of these things, this is the best book I have found so far

This Book was beyond my expectation.

By Kindle Customer

The Tallit is the Hebrew/Jewish Prayer Shawl. In this book I learned that the 12 Deciples knew Jesus rose form the Grave because his Tallit was folded just the way Jesus always folded it and it was at the end of the bench away from the grave clothing.

This was Beautiful. Anyway if you want to know about the Tallit this book gives the full story.
