Review

Praise for the award winning First Edition:

'This handbook is organized to help teachers and students to cover the mainstream work in the field of organization studies. This is an excellent reference tool with which to study organizational theory and practice' - International Review of Administrative Sciences

'The editors have put together an impressive reference work, serious in intent and rigorous in implementation. As a publishing achievement, and a scholarly 'event' in the field, SAGE is to be congratulated. It is designed as a work of synthesis, to link past and present, general and specific' - Journal of General Management

Praise for the New Edition:

'An excellent collection of papers giving a timely overview of the field' - Gareth Morgan

'In this substantially updated, revised and extended edition of the widely acclaimed Handbook, the high standard of the contributions is maintained. Close consideration is given to newly emergent, such as networks and complexity, as well as more established topics. Metaphors of conversation and discourse are engagingly invoked to make and explore new distinctions, directions and connections. It is a key reference volume for more advanced students of this rapidly developing field' - Hugh Willmott , Diageo Professor of Management Studies, Judge Business School, University of Cambridge

'Giving the authors of the Handbook of Organization Studies the opportunity to revise and update their

earlier contributions makes this handbook unique. Comparing the revised chapters to their originals offers the reader unparalleled insight into how knowledge develops in our discipline. New frameworks and deeper understandings, grounded in continuing scholarship, abound in this updated classic' - Mary Jo Hatch, C. Coleman McGehee Eminent Scholars Research Professor of Banking and Commerce McIntire School of Commerce, University of Virginia

"A valuable addition to business and sociology collections. Highly recommended." (M. I. Nathan 2007-01-18)

About the Author

Stewart Clegg is a prolific publisher of several hundred articles in leading academic journals in strategy, social science, management and organization theory; is also the author and editor of about fifty books, as well as a Fellow of the British Academy of Social Sciences, a Distinguished Fellow of the Australian and New Zealand Academy of Management, a Fellow of the Academy of the Social Sciences in Australia, and the recipient of significant awards from the American Academy of Management for his contributions to management theory and practice.

Cynthia Hardy is a Professor in the Faculty of Management, McGill University. Her publications include *Strategies for Retrenchment and Turnaround: The Politics of Survival* (De Gruyter, 1990) and *Managing Organizational Closure* (Gower, 1985).

Management professor Walt Nord studies organization theory and behavior and is currently researching the topic in a political/economic context. The author of numerous books, textbooks, and scholarly articles, his newest book will offer a new philosophical framework for organization studies, seeking to overcome current polarizing debates by developing an improved philosophical perspective for organization studies. As an author, Nord received the George Terry Award in 1997 for co-editing the *Handbook of Organization Studies*, an annual award from the Academy of Management that is bestowed to a book judged to have made the most outstanding contribution to the field. The same academy named Nord a Distinguished University Professor in 2002 (USF named him Distinguished University Professor in 2003); these honors recognize significant contributions to the science and practice of management. Nord earned a BA in economics from Williams College, an MS in organizational behavior from Cornell University, and a PhD in social psychology from Washington University. Before joining USF in 1989, he taught at Tulane University, Northwestern University, Vanderbilt University, the University of British Columbia, and Washington University. He is an editor or reviewer for numerous academic journals.
