THE ZOYA FACTOR BY ANUJA CHAUHAN PDF

When the younger players in India's cricket team find out that advertising executive Zoya Singh Solanki was born at the very moment India won the World Cup back in 1983, they are intrigued. When having breakfast with her is followed by victories on the field, they are impressed. And when not eating with her results in defeat, they decide she's a lucky charm. The nation goes a step further. Amazed at the ragtag team's sudden spurt of victories, it declares her a Goddess. So when the eccentric IBCC president and his mesmeric, always-exquisitely-attired Swamiji invite Zoya to accompany the team to the tenth ICC World Cup, she has no choice but to agree. Pursued by international cricket boards on the one hand, wooed by Cola majors on the other, Zoya struggles to stay grounded in the thick of the world cup action. And it doesn't help that she keeps clashing with the erratically brilliant new skipper who tells her flatly that he doesn't believe in luck...

Meh.

By V. Shridhar

This book is like raisin bread- nice when the raisin's around, boring the rest of the time.

There are some funny moments, but the rest of it is so-so.

Tell me, what does this heroine look like again? All I recall are her thundering... no, not thighs,.. cheeks! Okay, so she has fat, hanging cheeks. What else? What, other than her cheeks, does anybody find appealing in her? She's immature, insecure, obstinate, jumps to conclusions, has big hang-ups about where she lives, how she talks, her origins, her looks, her clothes... it's like reading about a teenager.

So yeah.. if she'd been 17, it would have been like The Princess Diaries or any of those teenage novels. However, since she's a decade older, she vacillates between being annoying or childish.

About the rest of the book: premise is good; many of the descriptions of cricket-mania are spot on; many of the secondary characters are well-developed.

Pity about the heroine.

Fun in the times of cricket!

By Jugalbandi

Anuja Chuhan's books are always fun to read!

As expected

By Pi3142

It is an easy read. Quite entertaining. Just what you would expect from a chick lit. Should make for a good story for a Bollywood movie.
