Love doing this for my daily oracle readings.

By Lani702

So I bought my first set of this at a used bookstore and was drawn to it. I used it for my friend and she fell in love with this, so I decided to get her a set off of Amazon and have it sent to her. She is a faithful user of these oracle Lenormand based cards and we both use it faithfully. In fact she turned her cousin onto this as well so now she's also a lover of these oracle cards as well.

I like the cards

By Im Scarlet

So far pretty good. I've only done 7 and 9 card spreads but it seems to pick up what's going on with me. I read for a friend and she felt the reading was accurate. Kind of easy once you get the hang of it. A friend who is a professional tarot reader recently ordered it and she's going to use it with her clients in the future.

Update: Over 10 years later- the interpretations that come with the cards are not the best. For better clarity go to [faerygodmother.com](http://faerygodmother.com) or [cafelenormand.com](http://cafelenormand.com). They have much better and more accurate translations. I wondered for years why a lot of stuff didnt happen or why stuff happened that I hadn't foreseen in the cards or what to make of certain card combos that didnt make sense if you only use this book's interpretation. Now I know that a clover doesn't always mean the best. It can be mitigated. Buy this set of cards but use the two aforementioned websites to get the ultimate benefits. They weren't around 10 yrs ago.

Titania's Fortune Cards Review

By Tanya C. Wright

Hi There Everybody! I Ordered My Titania's Fortune Cards 1 October And I Received Them 6 October, A

Day Earlier Than My Estimated Date of Delivery. Thus, The Shipping Was EXCELLENT... Good & Fast! I Ordered These Cards Knowing That I Bought Them With The Condition of Used (Like New). So I Didn't Expect My Cards To Arrive In Top Condition. When I Received My Cards, To My Surprise, The Whole Entire Set (Book & Cards) Wasn't Wrapped. The Whole Set Was In Tact Though I Felt The Set Might've Been Missing An Outer Wrapping. This Whole Set Is Esquisite!

The Book Cover Is Gold With Gold Letters, Very Impressive! Never Seen A Book Like It! It's Very Attractive To Look At. Next, It Opens Like A Book But What's Real Neat Is That There's A Special Slot Made For The Card Deck To Fit Into. The Box That Holds The Cards Has A Sample Card Glued To It And It's In The Design of The Whole 36-Card Deck. Ha Ha, How Did They Fit All Those 36 Pictures On One Single Card?! So Next, We Move To The Right Side of The Set. I Was A Little Disappointed That The Book Is Glued To The Right Side of The Set. I Was Really Hoping The Book Would Slide Out. It's Kind of A Pain Trying To Read Just The Book When It's Attached To The Set, Kinda Klunky. There's A Page Dedicated To Each Picture And A Page To Each Definition of The Card.

Next, The Book Gives Samples of A Main Reading, (The Big Daddy of A Reading(lol) 7 And 9 Card Sample Readings And They Even Break Down How To Read The Cards In Rows, Then Columns Then Diagonals. While The Card Meanings Are Easy To Remember, Remembering The Combinations of The Cards Is Difficult. Yet I Love The Lenormand Cards Because I Find Them To Be Quite Accurate, Even More So Than The Tarot (I'm A Tarologist). I've Been Reading The Tarot For 22 Years Now And When I Compare Titania's Fortune Cards To A Tarot Deck, The Difference Is Titania's Fortune Cards Is A Deck of Only \*36\* Cards As Opposed To The 78-card Tarot Deck. The Pictures of The Lenormand Deck Are Easy To Connect To Their Meanings Since The Card Is What It Is, The Picture You See Is Pretty Much The Definition (Example: Heart=Love, 4-leaf Clover=Luck, Letter=News, Etc.).

Moving Right Along Here, I Took The Cards Out of The Box They Came In And They Were Wrapped In Plastic To My Enormous Satisfaction, I Worried That Someone Might Have Already Used Them Since They Came In The Condition of Used (Like New). I Would've Had To Return Them If They Were Used Because Cards Have To Be Kept From Other People's Vibrations. So With This, I Took The Plastic Off The Cards And Began To Look At All The 36 Pictures In The Deck. I Find The Deck To Be Absolutely Stunning! The Pictures Speak In Colorful Volumes. There's Every Color of The Rainbow In The Deck, My Personal Favorite Is Blue And So The 26th Card, The Book, Is One of My Favorite Cards In This Deck. All The Cards Are Very Attractive And They All Scream For Your Attention Since The Colors Are Just That Bright.

However, I Feel The Cards Compared To A Tarot Deck, Are On The Thin Side. But As Long As You're Not Going To Shuffle Them By Ruffling, You'll Be Ok. Also, The Cards Are Not Like Tarot Cards In The Sense That They're Not As Slippery As A New Tarot Deck. The Cards Tend To Cling To One Another But This Deck Is Wonderful And I Would \*HIGHLY\* Recommend Them To Anyone Looking For A Lenormand Deck. I Also Recommend The Piatnik Version of The Lenormand, That's A Very Beautiful Deck That I Have As Well. Personally, I Feel That There Are Three Must-Have Decks of The Lenormand, If You're Going To Be Reading The Lenormand Cards. They Are: Titania's Fortune Cards, The \*Piatnik Version And The Magisches Lenormand\* The Last Two, I Feel Are The Most Attractive of All The Lenormand Decks I've Ever Seen.

To Summarize, If You're Thinking of Buying Titania's Fortune Cards, Don't Hesitate! You Won't Regret Buying This Deck!!!
