VACATION HELL (PRINCESS OF HELL BOOK 4) BY EVE LANGLAIS PDF

Some people collect seashells at the beach. Muriel picks up another man. A merman...

Juggling a happily ever after is harder than it looks, especially when it involves a fallen angel who is my soul mate, a hunky cat shifter who stole my heart, and a darkly delicious vampire who is like that piece of forbidden chocolate you just can't resist.

Add in a precocious little girl, who is totally spoiled rotten--not surprising given Nana and Poppa were Mother Nature and the Devil--and my life was a never-ending series of dramas, foot stomping, yelling, and tears. By me.

I never knew being a grownup could be so much damned work, which is why I decided we needed a vacation. But of course, as Lucifer's daughter, that didn't turn out as expected. Now I've got to figure out if my bathtub is big enough for a hunky merman--and is there room in my heart for one more?

A MERMAN WHAT A READ!

By Bambi

Ms. Langlais has put a wonderful spin in this awesome series. She has added a new layer to Muriel the daughter to her awesome character Lucifer. She is a kick butt character with just enough spin to keep you on your toes. The adventures and things that just happen to her are a great thing to read and in each book she picks up a new love to addition to her life that her and her magic need. Because what better magic is there to have then a sex based one.

Eves imagination is a complete delight and a thrilling read her humor and pick up lines a giggle out loud bright spot in every book. She is a must read in ever series and book she rights I highly recommend her books to all.

“Monsters?” Lucinda’s eyes brightened. “Can I have one?” For once I wasn’t the one yelling, “no!” But I did roll my eyes when my precious darling burst into tears, forcing David and Auric to hasten to reassure her that she could get a new pet fish when we got home.”

Muriel is no stranger to the unusual but 3 men and a little girl that is the pride of all is all getting a little much for her. She also has the strange call to the one place she hates most the beach. For her safety they all decide to take a family trip to her dad's vacation home in hell. Then things take a whole new turn when she meets a

rare thing a MERMAN.

Her Merman was drawn to her and the beach house she is at. As the son of Neptune he has no idea why this woman attracts him so much but she already has men. But when they are forced by chance together how can he resist the master of sins daughter. Muriel now has a new man to join the rest but how will this all work out....

“You will never lose me,” I whispered against his bare chest. “You own my heart. You gave me a soul.” Because I was pretty sure before I’d met Auric I hadn’t had a proper one. “You are my world.”

Vacation Hell by Eve Langlais

By Nikki Lawson

Another highly entertaining book by Eve Langlais! I feel like this book mostly filled in the questions left by Muriel's seemingly random appearance in Hell's Kitty and basically just let the readers check back in with Muriel and her lovers and her new merman addition, Tristan. Vacation Hell also helps to set the scene for Lucifer's upcoming story Hell's Bell's. Muriel hates the beach and everything that goes with it, nasty seawater, sand in uncomfortable places, dried out skin, but for some reason she finds herself obsessively drawn to the ocean. Loading up her three lovers and her daughter, Muriel goes on vacation to the beach and meets Tristan, a merman, son of Poseidon and recognizes that he belongs to her and the reason for her sudden need to visit the ocean. Trying to convince the stubbornly monogamous male to not only become her lover but also share her with three other men and live in sin together is harder than she thought. I hope we get to see more of Muriel and her men in the future, they aren't fully settled yet and I'd like to see their final HEA.

Vacations are for Adventuring! Another 5 Star Adventure that doesn't disappoint on the Sexy Scale either!!!

By Amazon Customer

I am a HUGE fan of the author & this book is one of the highlights of her extensive library. While it's part of a bigger series, it's made to be a stand alone if a reader should so choose. Muriel, our favorite Hades drama princess, has no chance for a break even on her vacation! This fast paced, funny read drags us along on her strange but sexy as sin adventures- why not four men? I mean, really, haven't we all dreamed of something a bit...MORE?? Eve once again breathes adventure into old & continuing characters & weaves plots between some of our favorite books- recognize Jenny & a Hellcat, dear Shifter Fans??? Yes! Another outstanding book I'll be reading again! We so desperately need some of Lucifer's Ducky prints as swag though...
